STEM SUCCESS

Students who pursue a Science, Technology, Engineering or Math (STEM) program of study are more likely to graduate on-time than students pursuing other majors.

SCHOLARS ON TRACK

Scholars are more likely to graduate on-time than their low-income peers.

GAPS PERSIST

Adult learners, low-income and minority students are less likely to graduate on-time than their peers across all campus types.

PART-TIME STUDENTS

About 90% of part-time students start at two-year campuses. The extended-time completion rates of those who start part-time (23.1%) are lower than students who enter full-time (36.9%) at two-year institutions.

of part-time students start at two-year campuses.
